224-25-5-10. COMPLAINTS AND INVESTIGATIONS

(a) The purpose of the complaints procedure is to effectively deal with issues affecting the licensure of Contractors. The complaints procedure is not intended to function as a dispute resolution process or code enforcement process. Any complaint registered with the Contractors Licensing Board of alleged violations must be submitted in writing with proper information to identify job site, owner, if possible, any name and phone numbers of individuals and any other information that may tend to be useful in the investigation. The complainant must furnish their name, address and phone number in order to obtain any other information that may be necessary for proper investigation. A written response will be made to a complainant when investigation is closed if so requested.

Affidavit

I, ____________________________, hereby swear or affirm that the above statements and information provided are true, correct and complete to the best of my knowledge. I further swear or affirm that I have personal knowledge of the allegations made within the complaint and that this complaint is made in good faith. I will assist in the investigation of this complaint, and if necessary, attend hearings and testify to facts. I understand that failure to cooperate with the investigation may result in dismissal of the complaint.
