
ARKANSAS CONTRACTORS LICENSING BOARD

Reciprocal Form Instructions

The State of Arkansas has entered into reciprocal agreements with the States of Tennessee, Mississippi, Alabama, and Louisiana in order to allow qualified contractors the ability to move from state to state in the least restrictive manner. This agreement does not minimize the ability of the State of Arkansas to investigate the applicant in any way. This agreement does not relieve the contractor of the responsibility of furnishing any necessary information to the Contractors Licensing Board State of Arkansas as required.

In order to consider reciprocity when submitting a NEW APPLICATION (go to “apply for a contractor license”) for a contractor license in the State of Arkansas, the following requirements must be met:

1. You **must complete and submit the New Application for a license along with this completed form IF** you meet one of the following.....

 - In **Louisiana** you must have a valid contractor license.
 - In **Mississippi** you must have a valid contractor license for at least one (1) year.

We cannot accept forms that are notarized over 90 days from date received.
2. The applicant must show proof of licensure in that state by providing the completed Reciprocal Form. The Contractors Licensing Board State of Arkansas retains the authority to require all necessary information by an applicant to show cause for the issuance for a contractor license in this state.
3. The applicant must complete the *Reciprocal Form (top section)*, *sign, date, and then **send it to the verifying state to be completed by that state.*** ***When the form is completed by both parties, send it to this office at:***
