Reciprocal Form Instructions

The State of Arkansas has entered into reciprocal agreements with the States of Tennessee, Mississippi, Alabama, and Louisiana in order to allow qualified contractors the ability to move from state to state in the least restrictive manner. This agreement does not minimize the ability of the State of Arkansas to investigate the applicant in any way. This agreement does not relieve the contractor of the responsibility of furnishing any necessary information to the Contractors Licensing Board State of Arkansas as required.

In order to consider reciprocity when submitting a NEW APPLICATION (go to “apply for a contractor license”) for a contractor license in the State of Arkansas, the following requirements must be met:

1. You must complete and submit the New Application for a license along with this completed form IF you meet one of the following:
   - In Alabama you must have a valid contractor license for at least one (1) year.
   - In Louisiana you must have a valid contractor license.
   - In Mississippi you must have a valid contractor license for at least one (1) year.
   - In Tennessee you must have a valid contractor license for at least one (1) year.

   We cannot accept forms that are notarized over 90 days from date received.

2. The applicant must show proof of licensure in that state by providing the completed Reciprocal Form. The Contractors Licensing Board State of Arkansas retains the authority to require all necessary information by an applicant to show cause for the issuance for a contractor license in this state.

3. The applicant must complete the Reciprocal Form (top section), sign, date, and then send it to the verifying state to be completed by that state. When the form is completed by both parties, send it to this office at:
   Contractors Licensing Board
   4100 Richards Road
   North Little Rock, AR 72117
   FAX# (501) 372-2247
   Contractors/licensing.board@arkansas.gov

4. **You as the contractor are responsible to send the Reciprocal Form to the verifying state for that contractor licensing board to complete the bottom section. You are also responsible to get that completed form back to us.**

**Those applicants applying for Plumbing, Electrical, HVACR or other classifications where a trade exam may be applicable will be required to meet all requirements of that agency involved.
